COASTAL INNOVATION SUMMIT

CHAPTER 1 | MANJESHWAR

Exclusive Preparatory Report

BuildUpKasaragod One DayStartup Conclave 2026

Program Date: May 10, 2026

Compiled by: BuildUp Kasaragod Startup Program Team

Venue: Govinda Pai Smarakam Bhavanika Auditorium Manjeshwar, Kasaragod, Kerala

Organised By

BuildUp KASARAGOD For a Better Tomorrow

Executive Summary

This Exclusive Preparatory Report presents the complete program structure and activities plan for the BuildUpKasaragod One-DayStartupConclave2026. The conclave is designed as a focused, education-first startup event aimed primarily at first-time learners and early-stage founders from the North Malabar region.

The program is benchmarked against established Kerala startup event formats and is intentionally scoped as a one-day, high-impact conclave rather than a large-scale festival. The objective is clarity, seriousness, and practical value, not scale for appearance.

Verdict

The BuildUp Kasaragod Startup Conclave is well-structured, credible, and purpose-built. It is not positioned to compete in scale with flagship startup festivals. Instead, it fills a critical gap by serving Tier-2 and Tier-3 regions with a structured, beginner-friendly, zero-fluff startup learning experience.

CHAPTER 1 | MANJESHWAR

Organised By

BuildUp KASARAGOD For a Better Tomorrow

Event Venue

Govinda Pai Smarakam

Bhavanika Auditorium Manjeshwar, Kasaragod, Kerala

The venue is part of the Gilivindu Project, developed jointly by the Governments of Kerala and Karnataka as a national-level centre of literature, culture, and research.

Why This Venue Matters

Govinda Pai Smarakam is a culturally and historically significant landmark in Kasaragod. Hosting the Startup Conclave here sends a clear message that innovation and entrepreneurship belong to this region's legacy.

The memorial complex includes an auditorium, amphitheatre, museum, library, and research archives. Manjeshwar itself is known for its beaches, harbour, temples, masjids, and churches, offering a rich cultural backdrop that elevates the event experience. Choosing this venue aligns the conclave with regional pride, intellectual heritage, and long-term ecosystem building.

Auditorium

Main stage for all sessions

Amphitheatre

Open-air networking and activities

Museum & Library

Cultural and research archives

About the Program

Purpose and Vision

The Startup Conclave is a single-day , professionally structured program designed to:

- Introduce startup fundamentals to first-time learners
- Guide early-stage founders through real-world challenges
- Expose participants to practical realities including failure, legal issues, and scaling constraints
- Encourage regional founders to think beyond geography while staying rooted locally

Audience Profile

Primary Audience

First-time learners and students

Secondary Audience

Early-stage startup founders

Tertiary Audience

Experienced founders and professionals

Trade Promotion

Exhibition and startup stalls

Session Delivery Format

Each session follows a strict and consistent structure:

1

30-Minute Session

Focused session on the main stage

2

10-Minute Q&A

Moderated Q and A

3

Podcast Zone

Speaker moves to Live Podcast Zone

4

Next Session

Next session begins immediately on the main stage

This ensures time discipline and continuous engagement.

08:30 – 17:30	Exhibition and Startup Stalls continuous

Startup and Exhibition Stalls

Stalls operate continuously throughout the day and include:

Tribal Enterprise Stall

Showcasing indigenous entrepreneurship and craftsmanship

Kasaragod Culture and Heritage Stall

Celebrating regional identity and traditions

Agri-Tech and Rural Innovation Stall

Highlighting agricultural technology and rural solutions

Technology and Student Startup Stalls

Featuring student-led ventures and tech innovations

Food and Local Enterprise Stalls

Promoting local food businesses and micro-enterprises

These stalls highlight inclusiveness, regional identity, and grassroots entrepreneurship.

Interactive Games and Learning Activities

Startup Snake and Ladder – Business Quiz Edition

A large-format interactive game based on startup concepts including ideation, funding, legal basics, scaling, and failure handling.

Startup Debate

Moderated debates on startup topics encouraging critical thinking, public speaking, and structured argumentation.

Startup Jam

Team-based startup ideation exercise focusing on speed, collaboration, and clarity of thinking rather than perfection.

Live Podcast and Networking Zone

Speakers participate in informal podcast-style discussions after their mainstage sessions. Content focuses on real journeys, failures, and lessons. Recorded material will be used for post-event digital outreach.

Benchmark Comparison

Compared With

- State-level structured startup events
- Large multi-day startup festivals

Key Differentiators

- Beginner-first design
- Strong regional focus on North Malabar
- Integrated Live Podcast content layer
- Low entry barrier for first-time participants

Program Strength Assessment

01

Clear purpose and audience focus

02

Strict time discipline

03

Relevant and practical session topics

04

High beginner accessibility

05

Strong engagement through parallel zones

06

Scalable structure for future editions

Overall Program Quality: Excellent

Expected Outcomes

- Increased startup awareness and confidence among participants
- Hands-on exposure to startup thinking
- Cultural and tribal representation within the ecosystem
- High participant engagement throughout the day
- Creation of reusable digital content
- Positioning North Malabar as a credible startup learning hub

Statement for the President

> "This program is structured to educate first-time learners, guide early founders, and maintain the seriousness expected from a credible startup conclave. It is designed to build the ecosystem locally, on the region's own terms."
